Helpful Mister [ ]

Intend to leave this industrious city, having got some lasting impressions of it ( and having lost some bones...). Since You seem to be my "guter Geist" in Oregon, i want to know whether there are any funds left in my Wild West probation-reschooling expense box. As i see it now, the most thrifty way back to the North will be by using my strongest part: my legs. However, there might arise now and then some nutritional and lodging problems. This time my stay in Oregon will be a rather short one: a couple weeks, at the most. Would appreciate Your immediate answer, which, i hope, will be invigorating as always.

Greeting to Your complice in Seattle as well ( forgot his name; was it Mr. Barnum ? )whom i might bother with my visit later this yaer, around May.

Appreciatively,

*F.H.*
